AFTER SCHOOL PROGRAM & DAYCARE FOOD PERMIT WAIVER FORM

PLEASE PRINT LEGIBLY

The Newton and Health and Human Services Department will not require a food permit for:

School: _____, located at _____

as long as Time / Temperature Control for Safety Food (TCS) are NOT being prepared or served. The following is a list of foods that may be served without a food permit:

Pre-packaged foods that are purchased at a retail store and served as is.

Fruits and vegetables that are washed, sliced and served immediately.

Hard cheeses ONLY served with crackers.

Juice, sodas, drinks etc.

Microwave popcorn and other snacks which do not require cooking.

A Food Permit MUST be obtained for any food item that requires cooking, heating and / or assembling.

If the program is unsure of what is considered a TCS food or if a permit is required call the Newton Health and Human Services Department at 617-796-1420.

- A refrigeration temperature log must be maintained on a daily basis for any foods requiring refrigeration. The log shall be retained for thirty (30) days and be available to the Newton Health and Human Services Department upon request.

List all foods that will be served at the above listed location: _____

Additional Guidelines

- Employees shall not work when they are ill
- Bare hands shall not contact Ready-to-Eat (RTE) / Cooked Foods – Non Latex gloves or utensils shall be used.
- Employees shall clean their hands and exposed portions of their arms immediately before engaging in food preparation including working with exposed food, clean equipment and utensils, and unwrapped single-use items and after touching bare human body parts other than clean hands and clean; after using the toilet room; after handling animals; after coughing, sneezing, using a handkerchief or disposable tissue, using tobacco, eating, or drinking; as often as necessary to remove soil and contamination; **before donning gloves to initiate a task that involves working with food**; and after engaging in other activities that contaminate the hands.
- Hands shall be washed for at least twenty (20) seconds, using soap. Rinse hands under clean, running warm water, apply soap, rub together vigorously for at least 10 – 15 seconds, thoroughly rinse under clean, running warm water and dry.

When approved by the Newton Health and Human Services Department, I agree to serve only the above listed foods.
